

Food for Life Partnership

Lisa Jones

South West Regional Co-ordinator

Our aim...

... is to transform food culture by generating positive experiences around food, to empower the whole school community to make more sustainable and healthy choices in the future

How do we achieve this?

- Reconnecting people with their food
 - Growing
 - Cooking
 - Farm links
 - School meals
 - Sharing with the local community

Enrolled schools in Exeter

- **Atkinson School - Pupil Referral Unit**
- **Brampford Speke C of E Primary**
- **Clyst Honiton C of E Primary**
- **Clyst Vale Community College**
- **Ladysmith Infant School (Flagship school)**
- **Kenn CE Primary School**
- **Newton St Cyres Primary School**
- **Southbrook College**
- **St Sidwell's C of E Primary School**
- **West Exe Technology College**
- **Whipton Barton Junior School**

To summarise

- **Meals are freshly prepared using seasonal, local and organic ingredients**
- **Pupils are encourage to cook, grow and visit farms**
- **Schools work with parents and local communities & businesses**
- **Resources available to support schools**

What can you do?

- Talks and presentations
- Demonstrations
- Gardening advice
- Cooking club support
- Links with local food businesses
- Farm visits
